

# LASTING BRILL

## CAR POLISHING CLEANER

### PRODUCT DESCRIPTION

Concentrated cleaner for car body polishing. Through a perfect balance between cleaning and glossing agents, it washes and shines cars in one single action. It quickly and easily removes dirt and exhaust gas deposit, insects, dropping, dust and contaminants. **LASTING BRILL** does not generate a lot of foam and thanks to the total absence of solvents, phosphates and colorants, it is absolutely biocompatible and leaves an antistatic waterproof film, which prevent filth deposition.

### PHYSICAL PROPERTIES

**Colour:** White  
**Physical form:** Liquid  
**Odour:** Light and pleasant  
**Density:** 0,99 g/ml
