### PRODUCT DESCRIPTION

Specific detergent for inflatable boats, fenders and other rubber details cleaning. It is the ideal solution to quickly and effectively eliminate also stubborn and ingrained grime. Its balanced formulation allows to remove stains caused by weathering, suntan cream, exhaust residues, oil, grease, insects and droppings, without damaging seams and adjacent parts. Thanks to its active and renewing components, **RIBY-CLEAN** restores the original surface condition and leaves a protective film, which forestalls filth deposition, and contrasts UV rays, preventing yellowing. Extremely simple to rinse out, its plant origin agents make it an absolutely biocompatible product.
